

How You Can Be Involved:

- Put together hamper(s) of Christmas goodies **or**
- Donate individual items, for us to add to a hamper

How to pack your hamper:

- Find a sturdy box of a suitable size (Fruit style cardboard boxes available from supermarkets are ideal) and cover it with Christmas paper. Alternatively use a large wicker basket.
- **Please ensure all items will still be in date until 28th December 2025.**
- Pack all the items from the lists overleaf and cover loosely with cellophane and seal.
- Fill in the appropriate form overleaf and attach to the box.
- **Please do not include alcohol, liquor chocolates, perishables or home-made items.**
- It's especially lovely if the items are from the luxury range rather than value range as people are often used to buying the value range.
- Please no specific size gifts (clothing or footwear) as we are unable to ensure they get to the appropriate recipient.

Once your hamper is complete, please contact us on **07527 396683** or email **camberleybesomhampers@gmail.com** to arrange a drop off or collection time.

With the current economic crisis, many households will find the additional cost that Christmas brings particularly difficult to manage. You can make a difference this year and bring a bit of sparkle into homes which have so little. Our hampers are distributed to those in need living in Surrey Heath.

The recipients will range from single people and families in temporary accommodation to those encountering debt or other problems. All will have been referred to The Besom through the Statutory and Voluntary agencies.

About The Besom

The Besom in Camberley is part of a national Christian Charity that helps local Christians make a difference in their community. It provides a bridge between those who want to give time, money, skills or things and those who are in need. It ensures what is given is used effectively. The service it provides is free. Our focus is primarily on helping members of local churches give effectively to the vulnerable and those most in need in our local community.
